

REMARKS

The amendment incorporates the limitations of claims 21 and 22 into claims 1 and 13 respectively. Applicants submit that the amendment does not add any new matter or raise any new issues. Applicants respectfully request that the amendment be entered by the examiner.

In as much as claims 21 and 22 were indicated as being allowable if rewritten in independent form, applicants submit that the claims of the present application are now in condition for allowance. Such allowance is earnestly and respectfully solicited.

Respectfully submitted,

Wenjie Li et al.
